Buyer will indemnify, defend and hold harmless G Northcutt Corporation ("Seller"), each of its Affiliates, and each of its Affiliates' employees, officers, directors and agents (each, a Seller Indemnified Party) from and against any and all liability, loss, damage, expense (including reasonable attorney's fees and expenses) and cost that the Seller Indemnified Party may be required to pay to one or more Third Parties resulting from or arising out of personal injury or death of any person as a result of use of or contact with Rollexx Stern Thruster system, except to the extent caused by the gross negligence or intentional misconduct of Seller.

Whereas all parties understand the nature and operation of the Rollexx Stern Thruster system installed on a boat and agree that certain hazards exist that cannot be mitigated due to the nature of operation of the system, ("propeller and electric shock hazards") therefore it is imperative that no persons or animals are allowed in the water near the boat when the Rollexx stern thruster is in operation and buyer agrees to uphold this condition as well as install the provided safety and operation placards on boat!

Buyer also hereby agrees to be bound by this entire agreement as a condition of being enabled to purchase the Rollexx Stern Thruster system and further agrees to keep this document within the boat's operating documents and also to make aware, a subsequent next owner of boat or Rollexx Stern Thruster system the existence of this document regarding the responsibility and liability for negligent operation of the Rollexx Stern Thruster system, to said next owner.

**SUBSEQUENT SELLERS** of a boat with the Rollexx Stern Thruster System installed on it should explain the operation and maintenance of said system as well as safety considerations including potential hazards due to the operation of the Rollexx Stern Thruster System to the buyer, and direct said buyer to the Rollexx web site ([www.boat-stabilizer.com](http://www.boat-stabilizer.com)) for complete instructions relating to use and maintenance of the Rollexx Stern Thruster System and then since we live in such a litigious world, avail yourself the liability protection afforded to you by having the buyer sign onto the included HOLD HARLESS AGREEMENT.
